

CALLING ALL VOLUNTEERS

JOIN CHEMISTS AND GIRL SCOUTS TO CELEBRATE EARTH WEEK

WHAT: Volunteers are being sought to perform a variety of scientific demonstrations highlighting the chemistry of bugs, i.e. red dye from cochineal beetles, chemiluminescence, paper chromatography and more. Stations will be set up for hands on demos and groups of Scouts will rotate through the various demos. The Scouts range in age from 5 to 13. Materials will be supplied, and volunteers will be trained as necessary.

WHEN: Saturday, April 23, 2022

1:00 to 4:30

Volunteers are asked to arrive at 12:00 pm to be trained and help with set up and stay till the end to help clean up ~5:00 pm

WHERE: ETSU Geosciences Bldg. (Ross Hall)
247 S. Dossett Drive
Johnson City, TN

As per Girl Scouts Policy, this is a masked event. All participants are required to wear masks.

If interested in volunteering or for more information, contact Deborah Wilkinson, NETS-ACS Chemists Celebrating Earth Week Coordinator, at 423/929-0699 or email Deborah at deb.wilk@charter.net by April 4, 2022.
